

## **FINDING ACCOMODATION AT BUSITEMA UNIVERSITY.**

There are **two** ways of getting Accommodation in Busitema University;

**Campus accommodation** consists of university-managed rooms allocated within the university premises both for males and females, the costs are indicated in the student portal and official university fee structures.

**Private hostels** are located outside the various campuses that are owned by private business enterprises. Accommodation fees and related charges vary depending on the type of accommodation you want depending on the owner.

**NB:** For more information you can reach out the campus warden or the custodian
