

HOW TO CHECK MY RESULTS.

Prerequisites

- The student must have enrolled into the system.
- The student must have registered into the system and the courses.

Steps.

1. Type <https://myportal.busitema.ac.ug> on your Google chrome.
2. Enter the student number and the password you normally use when opening your portal.
3. Click menu and you will see a least of words.
4. Select my program, you will see different options in case the results are uploaded in my results or provisional results you will be able to see that on your page.
5. In case you don't access them reach out to your Faculty Academic Registrar.
